Better Bodies offers a wide variety of exercise options. We have an impressive array of free weights and strength training equipment, including our newly opened circuit training room. We have a wide variety of cardio equipment, including treadmills, elliptical trainers, Stairmasters, rowing machines and stationary bikes. We also offer aerobics classes four nights a week and on Saturday mornings. Our helpful and friendly staff is always available to answer your questions. So stop in today for a tour, or visit our website. **Please bring a check stub as proof of employment when you come!**
